

Owls

Little Barn Owl,
You have wings like twilight,

Oh Snowy Owl,
You're as white as snow,

Little Owl,
You're as tiny as a tiny twig ,

Great Grey Owl,
You're as grey as a stormy day,

Eagle Owl,
You have eyes like the orange sun in sunrise,

Tawny Owl,
You're as brown as an autumn leaf,

Short Eared Owl,
You're feathers are like the wood,
