

Football at St Benedict's

At St Benedict's we have three thriving Football Clubs, an upper school club, a lower school club and a girls-only club.

We have played a number of fixtures this year, including tournaments and one-off friendlies. Our greatest success came in the recent Strode Futsal Tournament; disappointingly, we lost the final on penalties, but a great time was had by all.

We have recently played matches against Millfield, with our Year 5s and Year 6s enjoying success so far, and it is the turn of the Year 3-4 team next.

Last summer we had a mini all-weather pitch built on the field, which has improved pupils' close control and ball skills.

The Year 6 teams that faced Millfield
