

Tag Rugby at St Benedict's

Tag Rugby is a fast-paced, high-energy game that is popular around the world and it is a fantastic non-contact version of the full contact sport. It attracts boys and girls alike and we are excited to have a mixed gender team.

In the Spring Term, the Tag Rugby Club have worked hard to improve their technique and speed. We sent two teams to the Walton tournament and were delighted to come first and second. We are working on moving forward as we receive the ball and being on the front foot when we defend, to get those tags as quickly as possible. We are now looking forward to the Wells Area Tournament. Watch this space!

The Year 5/6 teams at the Walton Tournament
